Dear Mr. Mc Bride:

Once again, thank you for presenting the class "Teens--Strange and Wonderful Creatures" at the 1988 Washington State PTA Convention held April 28-30, 1988 at the Sea-Tac Red Lion Inn.

The delegates, from all over Washington State, attending your class were enthusiastic about the subject matter and your presentation. By the comments on the evaluations you have helped to ease the stress parents feel as their children are about to enter the teenage years or are already in those years.

Delegates who attended the class last year and again this year were just as enthusiastic as well. By their comments it was plain to see they received the extra boost of confidence they were coming back for.

Once again, thank you for volunteering your time and expertise to the Washington State PTA. We appreciate your time and effort in behalf of the welfare of ALL children.

Sincerely,

Cheryl Nardinger  
1988 WSPTA Convention Classes Chairman
